

ATTORNEY GENERAL OF TEXAS

GREG ABBOTT

October 29, 2003

Mr. Steve Aragón
General Counsel
Texas Health and Human Services Commission
P.O. Box 13247
Austin, Texas 78711

OR2003-7779

Dear Mr. Aragón:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 190272.

The Texas Health and Human Services Commission (the "commission") received two separate requests for: 1) the reason or bid tabulation regarding the results of a specified bidding process; and 2) the information submitted to the commission by all responding vendors to the same bidding process. You claim that the requested information is excepted from disclosure under sections 552.104 and 552.110 of the Government Code. You make no arguments and take no position as to whether the submitted information is excepted from disclosure under section 552.110. However, you have notified Northrop Grumman Technical Services, Inc. ("Northrop"), and Vintage IT Services ("Vintage"), interested third parties, of the requests for information pursuant to section 552.305 of the Government Code. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (determining that statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in Chapter 552 of Government Code in certain circumstances). The commission has submitted the information at issue to this office. We have considered your arguments and have reviewed the submitted information.

Section 552.104 of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." The purpose of section 552.104 is to protect a governmental body's interests in competitive bidding situations. *See* Open Records Decision No. 592 (1991). Moreover, section 552.104 requires a showing of some actual or specific harm in a particular competitive situation; a general allegation that a competitor will gain an unfair advantage will not suffice. *See* Open Records Decision No. 541 at 4 (1990). Section 552.104 does not except information relating to competitive bidding situations once a contract has been awarded. *See* Open Records Decision Nos. 306 (1982), 184 (1978).

You state that information responsive to the requests involves a contract that has not been awarded. Further, you explain that “[r]eleasing the vendor responses would jeopardize the Commission’s bargaining position during contract negotiations in a procurement for these services.” Based on your arguments and our review of the information at issue, we agree that the submitted information is excepted from disclosure in accordance with section 552.104 of the Government Code until such time as the contract is awarded.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov’t Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body’s intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general’s Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep’t of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

W. Montgomery Meitler
Assistant Attorney General
Open Records Division
